WELCOME TO THE 34TH ANNUAL CHATHAM ARTISTS GUILD STUDIO TOUR

December 5 -6 & 12-13 | Saturdays 10-5 | Sundays noon-5

Our **34th Annual Tour** once again welcomes visitors into professional artists' studios to experience the very best in contemporary and traditional Fine Art and Fine Craft. We look forward to seeing you! **The Chatham Studio Tour** is always held on the first two full weekends in December. It is always self-guided, always FREE, and always open to the public. Red triangles identify studio locations on the map, and numbered red triangle signs are posted along Chatham County roads to help guide your way.

Chatham Artists Guild – Professional Artists, Fine Art The Guild is comprised of 82 visual artists living and working in Chatham County.

The Chatham Studio Tour is self-guided, with each studio identified on the map by a numbered red triangle and marked with red triangle signs at their entrances.

Galleries and studios are open FREE of charge. We encourage car pooling.

Additional printed copies of this brochure are available at the Pittsboro Welcome Center, Pittsboro Gallery of Arts, artists' studios, as well as many other locations around the Triangle. Visit ChathamStudioTour.org to see additional images for each artist and a digital brochure with active links.

We gratefully acknowledge the grants we have received from the Chatham Arts Council and the North Carolina Arts Council and are deeply appreciative of their ongoing support.

When it was first founded in 1992, the Studio Tour was one of the many programs of the Chatham Arts Council (CAC), which is the local designated county partner of the NC Arts Council. Although the Tour was developed by CAC, it had always been self-funded by the artists through subscriptions and sponsorships. In 2005, the Tour artists decided to form a Guild, operate the Tour on their own, and seek grants to help sustain the organization.

The Guild was awarded its 501(c)3 status in 2007.

JOIN THE GUILD

Membership is open to all professional visual artists who maintain a studio in Chatham County. Artists are encouraged to apply for membership by submitting their application and images for jurying in September. See ChathamArtistsGuild.org for details.

The Studio Tour, now in it's 34th year, is a highlight of the Chatham holiday shopping season, attracting thousands of art lovers who come to visit Guild artists' studios, local shops, galleries, and restaurants.

This work could not be done without the support of the Chatham County community. **Sponsorships from local businesses, organizations, and individuals help us to operate our outreach programs, display the work of Chatham County artists, and organize and promote the Studio Tour.**
